REPORT ON THE ADMINISTRATION OF MINORS' ESTATES.

PRESIDENCY (EXCLUDING SIND).

Northern Division.

J. H. GARRETT, Esquire, C.S.I., I.C.S.,
Commissioner, N. D.

Central Division.

A. W. W. MACKIE, Esquire. C.I.E., I.C.S.,
Commissioner, C. D.

Southern Division.

H. B. CLAYTON, Esquire, C.I.E., I.C.S.,
Commissioner, S. D.

(1) NUMBER OF ESTATES UNDER MANAGEMENT.

Northern Division.—At the beginning of the year there were 5 estates (1 large and 4 small) under management. No estate was released from management nor was any taken under management during the year. The year thus closed with 5 estates (1 large and 4 small) under management.

Central Division.—At the beginning of the year there were 9 estates (1 large and 8 small) under management. Two small estates (one in Satara and one in East Khandesh) were released from management and therefore at the close of the year there were 7 estates under management.

Southern Division.—The year began with 17 estates under management. Out of these, 4 estates (one in Bijapur and three in Dharwar) were restored. The year thus closed with 13 estates under management.

(2) INCOME.

Northern Division.—The total income of the estates during the year amounted to Rs. 21,595 as against Rs. 16,753 in the last year. The increase is chiefly due to the fact that the cotton crop of the estates in the Ahmedabad District was not damaged by frost so seriously as during the previous year, because the crop was ready early this year.

Central Division.—The gross income of the estates amounted to Rs. 82,946 as against Rs. 1,28,960 in the preceding year. The decrease is due to the fact that there were no recoveries of loans by the Bhaiyya estate during the year under report.

Southern Division.—The gross income of the estates during the year amounted to Rs. 33,302 as against Rs. 35,184 in the preceding year. Notwithstanding an increase of Rs. 2,954 in the Belgaum district due to the sale proceeds of sandalwood trees and larger recoveries of rental dues there was a net fall in the aggregate amount of revenue for all the estates in the Division which is accounted for by the restoration of four estates to their owners.

(3) Expenditure.

Northern Division.—The total gross expenditure of the estates under management amounted to Rs. 16,987 during the year as against Rs. 12,498 during the preceding year. The marriage ceremony of the sister of the minor Talukdar of Thori Thamba estate in the Ahmedabad District, the Musalmania ceremony of that talukdar, and certain house-repairs in the Timbi and Segwa estates of the Broach and Panch Mahals district were chiefly responsible for the increase in expenditure during the year under report.

Central Division.—The gross expenditure amounted to Rs. 1,50,349 as against Rs. 1,12,367 in the previous year. The increase is mainly due to the advancing of loans by the Bhaiyya estate.

Southern Division.—The total gross expenditure amounted to Rs. 35,810 as against Rs. 24,514 in the previous year. All the districts except Kolaba share the income. In Belgaum it is mainly due to the purchase of lands on behalf of an estate in satisfaction of its decretal amount. The Nidgundi estate in Bijapur advanced a loan of Rs. 8,000 to the Darga estate under management in the same district. Rs. 9,000 were invested in Government securities in the Dharwar district. If these items of extraordinary expenditure—which are really investments and not expenditure—amounting to about Rs. 20,000 are excluded, the total normal expenditure amounts to about Rs. 16,000, a figure which indicates a considerable fall in expenditure as compared to that in the previous year. This is attributable to the release of four estates during the year.

(4) Collection of Estates' Dues.

Northern Division.—Out of the total demand of Rs. 20,799 (inclusive of Rs. 376 on account of arrears), Rs. 19,677 were collected leaving a balance of Rs. 1,122 (Rs. 905 on account of the year under report and Rs. 217 on account of past years). The balance of arrears is chiefly due to the grant of suspensions on account of frost during the year under report.

Out of the total demand of arrears of Rs. 361, Rs. 144 were recovered during the year under report leaving a balance of Rs. 217 to be recovered at the end of the year. This balance of arrears pertains to the estates in the Broach and Panch Mahals District.

Central Division.—The total demand on account of rents including arrears of Rs. 12,371 was Rs. 22,151. Rs. 10,238 were collected leaving a balance of Rs. 11,913. The major portion of the arrears relates to past years and its recovery could not be effected as prices of agricultural

produce continued low during the year. Steps for the recovery of all arrears are in progress. Decrees have been obtained for Rs. 6,388.

Southern Division.—The total demand including the arrears of Rs. 15,409 amounted to Rs. 25,878. Rs. 10,982 (including over collections of Rs. 66) were collected and Rs. 2,039 (Rs. 75 in Belgaum and Rs. 1,964 in Dharwar) were written off. The outstanding balance at the close of the year was thus Rs. 12,923 as detailed below :—

District.	Arrears.	
	Current.	Previous.
Belgaum	1,369	5,754
Bijapur	111	125
Dharwar	689	4,504
Kolaba	193	178
Total ..	2,362	10,561

In Belgaum a sum of Rs. 149 out of the outstandings has been recovered since the close of the year.

The percentage of collection of the current dues to the total current demand works out at 78 per cent. as against 48 per cent. in the previous year. This shows that the recovery work was satisfactory so far as current dues were concerned. The past arrears to be recovered are however still heavy and the Collectors are being requested to recover them soon.

(5) Government Revenue, Cesses and Rates.

Northern Division.—All Government dues ordered to be recovered were paid in full.

Central Division.—All Government dues were paid in full by the estates.

Southern Division.—All Government dues were paid in full.

(6) Cost of Management.

Northern Division.—The total cost of management amounted to Rs. 1,472 or 7·0 per cent. of the gross income as against Rs. 1,421 or 8·5 per cent. in the previous year.

The decrease is primarily due to the fact that in the Ahmedabad District in which it amounted to Rs. 1,286 (or 6·8 per cent.) during the year under report as against Rs. 1,186 (or 8·6 per cent.) in the previous year.

Central Division.—The total cost of management amounted to Rs. 6,853 or 8·2 per cent. of the gross income as against Rs. 8,989 or 6·9 per cent. in the previous year. The increase in percentage despite the fall in actual cost is due to the great decrease in income.

Southern Division.—The total cost of management amounted to Rs. 2,046 or 6·1 per cent. of the total gross income as against Rs. 3,072 or 8·7 per cent. in the previous year. The decrease is due to the curtailment of establishment in Belgaum. The percentage in Kolaba was as high as 15·3 per cent. owing to the fact that the minimum expenditure on the management of the one estate had to be incurred despite the fall in its income. In no other case was the normal limit of 10 per cent. exceeded.

(7) Advances to Cultivators.

Northern, Central and Southern Divisions.—No advances were made to cultivators out of the funds of any managed estate.

(8) Special Scheme for Management.

Northern Division.—All the estates were managed departmentally and no special scheme was necessary for their management.

Central Division.—No special scheme for management was framed or undertaken.

Southern Division.—No special scheme was undertaken.

(9) Maintenance and Education of Minors.

Northern Division.—The total gross expenditure under this head amounted to Rs. 6,372 as against Rs. 5,896 during the preceding year. The increase is chiefly due to the grant of increased maintenance allowance, to the mother of minor Fateh Mahammedkhanji of Thori Thamba estate from Rs. 200 to Rs. 233 per month.

There are 7 minors (all males) as reported last year. The number of minors receiving education is 4 as shown below :—

	2 in English Schools.
	2 in Vernacular Schools.
Total ..	4

Of the remaining 3 wards, one looks after household affairs and the other two have left studies.

Central Division.—All reasonable demands for the maintenance and education of the minors and their dependents continue to be met as far as funds permit. The total expenditure incurred on this account was Rs. 13,898. The minor Yamutai Natu of Poona is dependent for her maintenance on the estate of her brothers.

There are in all 10 wards—9 male and 1 female. The female ward, Miss Yamutai Natu attends the Kanyashala in Poona and is in the sixth English Standard. Of the 9 male wards one has left school and the rest are receiving education as under :—

1 in College.
5 in English Schools.
2 in Vernacular Schools.

Southern Division.—Reasonable provision was made for the maintenance and education of the minors and their dependents. The total expenditure incurred on this account amounted to Rs. 4,798.

There are 17 wards—14 males and 3 females.

Out of the 14 male wards 9 are receiving education as under :—

5 in Vernacular Schools and

4 in English Schools.

The wards of the Beleri and Betgeri estates in the Dharwar district were affected with lunacy. The ward of the Beleri estate is now under treatment in the Mental Hospital, Dharwar. The ward of the Betgeri estate who was promptly sent for treatment to the Mental Hospital at Bangalore, returned completely cured and is now reported to be in good health.

(10) Repayment of Debts and Existing Liabilities.

Northern Division.—All the estates are free from debts.

Central Division.—Four out of the 7 estates are free from debt. The total balance of debt at the beginning of the year was Rs. 24,299. Additional debt of Rs. 280 was incurred by the Wani estate in the Nasik District. The Kaswekar estate of Savda in East Khandesh incurred debt of Rs. 800 by usufructuary mortgage of some property for a period of 9 years. The period having expired the estate has been discharged of the debt. Rs. 100 have been paid by the Wani estate. The balance of Rs. 23,679 is due from the following estates :—

	Rs.
(1) Bhaiyya estate in Sholapur	6,906
(2) Kaswekar estate in East Khandesh	7,464
(3) Wani estate in Nasik	9,309
Total ..	23,679

The debts of the Bhaiyya estate are deposits of the relatives of the ward and they can be paid at any time.

Southern Division.—The balance of debt at the beginning of the year stood at Rs. 27,198. No additional liabilities were incurred during the year. Rs. 400 were paid from the current income in repayment of debts, leaving a balance of Rs. 26,798 at the close of the year.

The estates in the Belgaum district alone are responsible for liabilities to the extent of Rs. 26,598.

Out of the 13 estates, 8 are free from debt—2 in Belgaum, 5 in Dharwar and 1 in Kolaba.

(11) Litigation.

Northern Division.—There were two suits pending at the beginning of the year. None of them has been decided and no fresh suit has been

filed during the year, thus leaving the above two suits pending at the close of the year.

Central Division.—The balance of the Wani estate in the Nasik District was attached by a Sawkar. An application was made to the Court to raise the attachment on the ground that the amount was required for the maintenance of the wards. It has been rejected.

Southern Division.—In the Belgaum district six suits were pending at the beginning of the year and six suits were filed during the year. Out of these, six suits were decided—all in favour of the wards and six are pending.

Out of the nine suits in Bijapur (six pending at the beginning and three filed during the year) six were disposed of and three are pending.

In the districts of Dharwar and Kolaba there were no suits.

(12) GENERAL REMARKS.

Northern, Central and Southern Divisions.—The administration of the estates through the local officers continued to be satisfactory.
